Dear V.A.L.U.E. Participant:

Included in this web site is the award recommendation document (please review in its entirety) and a bid tabulation showing the award information for the V.A.L.U.E. bid for *Batteries*. Waukesha County has awarded the lowest complying bidder for **Motorola equivalent** batteries and the lowest complying bidder for **Motorola manufactured** batteries. All other batteries have been awarded to the lowest complying bidder.

The contact information is attached (see Page 2), however, if you need a hard copy of the successful bid(s), please contact me at 262-896-8035, or e-mail me at dknoll@waukeshacounty.gov

When placing orders, be sure to include the following information on your purchase order:

1. Reference the V.A.L.U.E. Bid No. 25023 and the V.A.L.U.E. specifications
2. Purchasing, delivery and accounts payable contacts.

I would like to remind you that as a V.A.L.U.E. participant you are expected to issue the purchase order to the vendor who was recommended for award as their price was bid in good faith based on the total anticipated purchases of each agency. The failure of any one agency to honor their commitment jeopardizes future relationships with these vendors and the concept of cooperative purchasing/volume discounts. The exception of course, is where funding was not approved.

If you have any questions, or need additional information, feel free to contact me. Thank you for your interest in the V.A.L.U.E. organization.

Sincerely,

Diane Knoll
Senior Buyer
