Note: **Computer Facilities Mgmt:** Note on Items 20 and 21. NTN9815A and NTN9815B have not much difference. NTN 9815 A & B have been replaced by NTN9858 (Honeywell H9858-M). NTN 9815 A & B have NiCD Chemistry however, NTN9858 has NiMH chemistry. The customer's charger should be able to take both batteries; NTN9815A & B and NTN9858.

Specification Items:

Battery Products: Said that they could do next day delivery, but pricing document says 3-5 days

Computer Facilities Mgmt: Cannot do next day delivery

Falcon Direct: Cannot do next day delivery

Global Technology Systems: Cannot provide a 24 hour number for Business Continuity purposes.
