Cooperative Purchasing Program
Of Southeastern Wisconsin

June 28, 2004

Dear VALUE Participant:

Included in this web site is the extension information for the VALUE bid for Stainless Steel Repair Clamps. This bid has been extended, at the same pricing, for the three-year term of June 15, 2004 through June 14, 2007.

The awarded vendor information is as follows;

PowerSeal Pipeline Products Corp.
ATTN: Steve Kilcrease
1619 Eastside Drive
Wichita Falls, TX 76301
(P) 1-800-800-0932
(F) 1-940-723-8378

If you need a hard copy of the successful bid(s), please contact me at 414-302-8303, or e-mail me at rbarwick@ci.west-allis.wi.us.

I would like to remind you that as a VALUE participant you are expected to issue the purchase order to the vendor who was recommended for award as their price was bid in good faith based on the total anticipated purchases of each agency. The failure of any one agency to honor their commitment jeopardizes future relationships with these vendors and the concept of cooperative purchasing/volume discounts.

Be sure to reference the V.A.L.U.E. bid extension # 2001-155E and specifications when issuing your blanket purchase orders.

If you have any questions, or need additional information, feel free to contact me. Thank you for your interest in the V.A.L.U.E. organization.

Sincerely,

Robert A. Barwick, Buyer, City of West Allis
