**REVISED**

Laurie Dudley  
[ldudley@waukesha.k12.wi.us](mailto:ldudley@waukesha.k12.wi.us)

Dear Laurie,

Thank you for your time recently. Due to mill driven action industry wide, the V.A.L.U.E pricing program changes upward as of July 1, 2010. This caused by the increased pricing for pulp worldwide brought on in part by the Chilean earthquake tragedy which stopped 11% of the entire capacity in the world from being produced.

White	+ 5% (actually 6% at the mill level)
Colors	+ 5%
Astrobrites	+ 2%
NCR	+ 5%

The appropriate mill documentation is attached per V.A.L.U.E. specifications and let me further express these changes took place May 1<sup>st</sup> – May 15<sup>th</sup> yet the implementation date is not until July 1<sup>st</sup>.

All orders shipped before 6/30/2010 take the older lower pricing.

I wait to serve you further in the near future.

Thank you,

Roger Adams

To Our Valued NCR Paper\* Brand Sheet Customers:

Appleton is announcing a price increase on NCR PAPER\* Brand carbonless sheet products sold in the United States and Canada.

Costs associated with manufacturing and transporting our products are rising. While we continue our efforts to make productivity gains and reduce costs, we have been unable to compensate for significant raw materials, energy and transportation cost increases.

Effective with shipments on Monday May 17, 2010, Appleton will increase prices of sheet products as follows:

All carbonless sheet products	8.0%
Non-paper products	6.0%

Enclosed are the new formal price pages for the respective products. Please contact your Appleton sales representative with any questions you may have. We value your business and thank you for your continuing support.

Sincerely,

Sarah Macdonald  
Vice President - Carbonless Business Unit
